

For your sins

Christ suffered once for sins, the just for the unjust in order to lead men to God (1Pe 3:18).

Biblical definition of justification

Biblical justification does not resemble a judicial act, because even in a human court the guilty party is not found innocent.

What is Justification?

Justification is neither forensic nor a judicial act of God, for which He forgives, exempts or treats man, who is not just, as if he were just.
