Umpostile uPawulos, xa wayebhalela amaKristu aseRoma, wayenza yacaca into yokuba ukuba yinzala yenyama ka-Abraham asikuko oko kunika uzuko lukaThixo "Ingekuko ukuba ilizwi likaThixo lalisilela, kuba asingabo bonke abavela kuSirayeli abangamaSirayeli; Ayikuko nokuba bayinzala ka-Abraham, bangoonyana bonke" (Roma 9: 6 -7). "... asingabantwana benyama abangabantwana bakaThixo, ngabantwana bedinga ababalelwa ekuthini bayinzala" (Roma 9: 8). Ngoku, ukuba abantwana baka-Abraham abangoonyana bakaThixo, kukwalandela ukuba unyana wokholwayo akangomntwana kaThixo.

uthembe umntu onolunya nophindezelayo? Hayi! Ngoku, kwenzeka njani ukuba umfana athembele kuThixo, ukuba oko kubonisiwe kuye akuhambelani nenyano yevangeli?

Abazali kufuneka babonise abantwana babo ukuba ezinye zeendlela zokuziphatha azinyamezelwa kuba utata nomama bengavumi. Ukuba imeko enjalo yenqatshelwe ngokufanelekileyo ngutata nomama. Ukuziphatha okunjalo kuyingozi kwaye noluntu luphela aluyamkeli.

Musa ukuhambisa umntwana wakho enomsindo, enovalo kuThixo okulungele ukohlwaya ngayo nayiphi na imikhwa emibi. Ukuziphatha okunjalo kwabazali kubonisa ngokucacileyo ukuba bayaluphepha uxanduva lwabo njengomhlohli.

Ukufundisa abantwana ngokumisela ubudlelwane boyika, ukuba noThixo, icawe, umfundisi, umfundisi, umtyholi, isihogo, amapolisa, inkomo enobuso obumnyama, njl., Njengabaphumezi okanye ukohlwaya, kugqibela ukuvelisa amadoda hlonipha amaziko kwaye ucekise abo basebenzisa igunya. Olu hlobo lwemfundo luseka uloyiko endaweni yentlonipho, njengoko ubudlelwane bokuthenjwa bungasekelwanga. Xa uloyiko ludlula, akusekho sizathu sokuthobela.

Abazali abenza ngale ndlela xa befundisa abantwana babo banezabelo zabo ekulahlekiseni abantwana babo. Icawe ikwanaso nesabelo sayo, kuba isilele ekuchongeni abazali njengobukukuphela kwabo kwaye banembopheleleko efanelekileyo yokufundisa abantwana babo. Umbuso nawo unetyala, njengoko ethatha indima yokuba ngutitshala, kanti enyanisweni, sisixhobo sokuhambisa ulwazi.

Ukuba iziseko zemfundo azichazwanga phakathi kosapho, kwaye ezo ngcinga zisetyenzisiweyo kwaye zinamava kubudlelwane bosapho, naliphi na elinye iziko loluntu, njengecawe norhulumente, liya kugwetywa.

Uninzi lwabazali luzibhokoxa emsebenzini, kufundwa nasecaweni, nangona kunjalo, abachithi xesha kwimfundo yabantwana babo.

Imfundo yabantwana yenzeka ngokusisigxina kwaye akunampilo ukulihoya eli xesha.

Uqala nini ukufundisa?

Inkxalabo ngabantwana ihlala ivela kuphela xa abazali abangamaKristu beziva ngathi abantwana babo bayazikhwebula kwiziko lecawa. Izibhenso ezoyikekayo ekubekweni nasekunyanzelweni, kunyanzelwa abantwana ukuba baye ecaweni. Isimo esinjalo siphosakele ngakumbi kunokungamyaleli umntwana ngexesha elifanelekileyo.

Le mibuzo iyabothusa abanye abazali abangamaKristu kuba bengazi ukuba yintoni indima yabo njengelungu loluntu, kwaye iyintoni injongo yabo njengommeli weendaba ezilungileyo. Abazali abangamaKristu abanako ukudibanisa le misebenzi mibini.

Abazali abangamaKristu banemisebenzi emibini eyahlukileyo: a) ukufundisa abantwana babo ukuba babe ngamalungu oluntu, kwaye; b) Bhengeza izithembiso ezimnandi zeendaba ezilungileyo ebantwaneni ukuze bangaphambuki elukholweni.

Olu thungelwano kufuneka lwenziwe kwasebusaneni, lunyamekele ukujongana ngaxeshanye nemfundo noqeqesho lwabemi, ngaphandle kokutyeshela imfundiso yelizwi lenyaniso, kugxininiswa uthando nokuthembeka kukaThixo.

Ukusukela ebusaneni umntwana kufuneka afundiswe ukuhlonipha abasemagunyeni, kwaye ngabazali apho umntwana aya kwenziwa malunga nokuthobela igunya. Ngoonyana babantakwabo, ootatomkhulu noomakhulu kunye nootatomncinci umntwana uya kufunda ukuhlonipha nokuzimisela. Njengabahlobo, ootitshala, abamelwane kunye nabantu ongabaziyo, umntwana uya kufunda ubudlelwane nehlabathi.

Malunga nendlela yobomi umntwana kufuneka afundiswe ngalo lonke ixesha, oko kukuthi, ekhaya, endleleni, ngexesha lokulala naxa evuka.

Ukufundiswa ‘kweeleta’ ezingcwele luxanduva lwabazali! Ukunikezela umsebenzi onje kutitshala wesikolo seCawa akucetyiswa zizibhalo, ngaphezulu koko, kuthintela ixesha lokufundisa ngoKristu kube kanye ngeveki, kangangeyure enye. Yahluke mpela koko kucetyiswa sisibhalo: ukufundisa imihla ngemihla.

Abantwana noluntu

Abazali kufuneka bancede abantwana baqonde ukuba wonke umntu kufuneka athobele abazali kunye noluntu. Ukungeniswa kwabazali namhlanje sisincoko kunye nokufundela ukungeniswa okuya kufunwa luluntu, esikolweni nasemsebenzini.

Emva kokuyalelwa, nokuba umntu omncinci ebengafuni ukulandela iindaba ezilungileyo zikaKrestu, siyakuba nommi ozinikele kwiinqobo ezithile zentlalo.

Enye yeengxaki ezifanelekileyo kwimfundo yabantwana bamaKristu namhlanje kukuxuba imfundo yosapho kunye necawa. Ukunikezela ecaweni uxanduva lokudlulisela amaxabiso entlalontle yimpazamo enkulu. Xa umntu omncinci ekhula kwaye edanile ngabantu abathile kwiziko, uphela eshiya ubulungu boluntu awayeye kulo, kwangaxeshanye avukele nakweziphi na zonke iintlobo zexabiso lentlalo.

Xa abazali besazi ukuba abavelisi abantwana benzela uThixo, basebenzisa ngakumbi imfundo kunye nokushumayela kwabantwana. Kwaye abaphelelwa lithemba xa bebona ukuba amahlumelo abo akakho kwimeko yokuya ecaweni. Abayi kuziva benetyala okanye

benoxanduva kubantwana babo xa bengathethi ngemicimbi ethile yeziko.

Kuyimfuneko ukuba ufundise abantwana ngokufundisa ilizwi likaThixo, nangona kunjalo, ngaphandle kokulibala ukuhambisa kunye nokubethelela amaxabiso entlalontle. Imfundo ibandakanya incoko, umdlalo, ukukhuza, isilumkiso, njl. Vumela abantwana ukuba bafumane onke amanqanaba obomi, ukusuka ebuntwaneni, kwinqanaba lokufikisa nakulutsha.

Kodwa, kufuneka wenze ntoni xa abantwana bemka ecaweni? Okokuqala, kubalulekile ukwahlula ukuba ingaba abantwana baphambukile kwivangeli okanye bazikhwebule kwiziko elithile.

Ukungahoyi imigaqo-siseko yevangeli yokuqala kukhokelela abazali ekubhideni ukuba kuthetha ukuthini ukuba ngumntwana kaThixo nokuba lilungu lecawa ethile. Ukuba umntwana akasekho rhoqo ecaweni, akufuneki abhalwe ukuba ulahlekile, okanye uya esihogweni, njl.

Ukuba umntu uyayinyanisa inyaniso yevangeli njengoko izibhalo zisitsho, oko kuthetha ukuba akanguye owaphambukayo, kodwa kufuneka aziswe kuphela ngesidingo sokuhlangana. Kunganyanzeleka ukuba abazali baphande ukuba kutheni abantwana babo bewushiya umkhwa wokuhlangana namanye amaKrestu.

Ngoku, ukuba unyana akayichazi inyaniso yeendaba ezilungileyo kwaye uyaqhubeka nokuhlangana ngaphandle komkhwa, imeko yakhe phambi koThixo iyamkhathaza. Wazi ntoni ngeendaba ezilungileyo? Ngaba uthi uyakholelwa kwigospile? Ukuba impendulo iyalandula, kunyanzelekile ukuba ubhengeze ubunyani beendaba ezilungileyo, ukuze akholelwe kwaye asindiswe, hayi nje umntu ohamba icawe.
